Subject: RE: MF FEEDBACK on the near-due items E-Binder for Friday, January 29, 2021

Thanks Michal!

Regarding the briefing document, I'll work with the offices in the morning to develop the additional slides. Very helpful feedback and direction. We will aim to have a revision by early afternoon Friday so that we can meet the COB deadline for submission to Dan's office.

With your feedback on the R9 document, this one should be good to go.

FRNs: I know the offices are going to be thrilled to hear your feedback. Yes, we will find some time in the coming week to continue to work this process with you. Thanks!

Comms: I know the Comms Team would welcome some time with you to review the types of work products and to explore opportunities to streamline the process. We'll get that set up.

Talk with you in the morning!

Thanks – I have a few thoughts on some of these

1. The Dan Utech briefing – **Ex. 5 Deliberative Process (DP)**

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

I know these items will need much more work and thought to actually execute on, but I think it could be helpful to flag the ways we are thinking about re-examining some of the past policies/approaches.

2. The R9 document looks good to me. **Ex. 5 Deliberative Process (DP)**

Ex. 5 Deliberative Process (DP)

3. FR submittals – **Ex. 5 Deliberative Process (DP)**

Ex. 5 Deliberative Process (DP)

4. I signed off on the Tribal social media materials separately. **Ex. 5 Deliberative Process (DP)**

Ex. 5 Deliberative Process (DP)

Thanks all – talk to you tomorrow
